

Vision and Mission

Our vision is to build an ecosystem for institutional to industrial convergence.

our aim is to become a sought after platform for skilling, employability, and networking amongst institutions and industries.

About Us

Offizkit is a professional platform for career management. Employers can post jobs on offizkit to attract candidates for their job vacancies whereas employer's listing is free.

Candidates can apply for jobs through job listings. They can also submit their CVs to get notifications on future opportunities.

For the entry level job opportunities, we have introduced PBTA with apprenticeship program which helps HR in system development and freshers to work in professional environment with expert mentoring, grooming through OJT, and job offers thereafter.

Our CEC centers are for B2B collaboration.

How We Do It?

We have a **PBTA + L&D** for HR engagement that provides job listings, recruitment via PBTA, and talent services

Skilling Courses provide professional courses, joint courses, and corporate programs. we also promote expert-driven training.

Gig projects encompass a wide range of short-term, independent tasks or contracts offered by individuals or businesses.

Why We Do It?

Job roles are becoming dynamic today which require a bridge in the form of an ecosystem for institutional to industrial convergence.

We design and deliver blended training courses in both *technical as well as non-technical domains* as per the future job-ready requirements. Our R&D team rigorously work on it with domain experts from the multiple Industries for standardization.

K12 Education, EdTech, and Skilling market size in India is currently valued at around \$35 billion. The market is expected to grow at a CAGR of around 12%.

But 79% employees today are in pressure for reskilling and there will be huge requirements for the employees in the job markets with blended skills.

Why Choose Us?

offizkit.com is an platform powered by iiConvergence. It brings in an ecosystem for career management way before K12 to Higher Education to get you Professional trainings, Employment Opportunities and Career Management.

Through offizkit.com we are integrating, bridging, and developing an environment for institutional to industrial convergence.

Whereas Institutions will be enabled with industry readiness and the Industries will get the trained and skilled future-ready manpower for it's organizations.
